

Promise Me

[Lea Salonga](#)

You light up another cigarette
And I pour the wine
It's four o'clock in the morning
And it's starting to get light Now I'm right where I wanna be
Losing track of time
But I wish that it was still last night You look like you're in another world
But I can read your mind
How can you be so far away
Lying by my side? When I go away I'll miss you
And I will be thinking of you
Every night and day just Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon Promise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soon When I go away I'll miss you
And I will be thinking of you
Every night and day just Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon Promise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon Promise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soon
