

# Knockin Heads Off (feat. Jadakiss & Styles P)

## Lil Jon & The East Side Boyz

[Lil' Jon]

Come on, yeah OK

Motherfucker, y'all know who it is

Lil' Jon, them motherfuckin' East Side Boyz

I got my nigga Jadakiss with me too (D-Block, live son)

We gon' do this for all the real motherfuckin' niggas

(Uh uh uh uh yo)

Holla at them niggas J, come on[Jadakiss]

Yeah, Kiss name known, matter fact, Kiss name blown

And bitches always want to hit me like I just came home

But I still put the tools in ya mouth

Niggas know that I'm a monster on the East, but I'm huge in the South

This is evil in the trenches and everybody starvin'

So to get the money right we put the deisel on the benches

"Down Bottom" feel like the ol' days

Fuckin' with the corn liquor ridin' around listen to O'Jays

When we loadin' the clip every slug gotta catch

When you goin' to war every thug got his match

SS baby, blue Impala with the mack in it

Big gold cup with rhinestones with my pack in it

It's like the jungle but the broads is fine

And if they ain't puffin' crippie, then this Georgia fine

Listen, I'm the wrong nigga to style with

My motherfuckin' problem to reconcile with

Nigga what[Chorus]

We knockin' heads off, yeah

We knockin' heads off, yeah

We knockin' heads off, motherfuckin' heads off yeah

We knockin' heads off, yeah

We knockin' heads off, yeah

We knockin' heads off, motherfuckin' heads off yeah

You want to go nigga

Let's go ho

You want to go nigga

Let's go ho

You want to go nigga

Let's go ho

You want to go nigga

Let's go ho

What, what, what, what, what[Lil' Jon]  
We lettin' it go nigga  
Let's go ho  
We lettin' it go nigga  
Let's go ho  
We lettin' it go nigga  
Let's go ho  
What, what, what, what, what  
Pussy, niggas, lay it, down  
Me and my, niggas, fixin', clown  
Pussy, niggas, lay it, down  
Me and my, niggas, fixin', clown

Don't, like, them, niggas  
Can't, stand..that, bitch  
Don't, like, them, niggas

Bitch, say, something now[Chorus][Lil' Jon]  
What, what  
Y'all know when the beat breakdown and shit  
What's up, what's up  
It's time to get motherfuckin' buck wild in this biiiitch  
Now this what I want y'all niggas to do, what's up  
All the real niggas and ladies out there, OK  
Y'all need to repeat after me, right now  
I ain't scared of no nigga, I ain't scared of no bitch  
I ain't scared of nobody in ya motherfuckin' click  
I ain't scared of no nigga, I ain't scared of no bitch  
I ain't scared of nobody in ya motherfuckin' click  
Man fuck that shit nigga, fuck that shit man  
Man fuck that shit nigga, fuck that shit man  
Man fuck that shit nigga, fuck that shit man  
Man fuck that shit nigga, fuck that shit[Chorus][Lil' Jon]  
Yeah, BME ho, we up out this bitch  
Ruff Ryders ho, what's up  
But before we leave  
I gotta let my nigga tell you his name[Styles]  
I'm Holiday Styles, where the fuck you thuggin' at  
I knock off ya head with a Louisville Slugger bat

P'll go to war and ain't never have to bring a nigga  
My gun is armed and my bullets like a finger nigga  
Call up Lil' Jon and them East Side Boyz  
All I need is a lil' bomb and them East Side toys  
You can catch me in the Dirty South, I got a dirty mouth  
Sittin' on the roof with the fuckin' 30-30's out  
I told you I'm a menace y'all  
I got enough guns to fill up the Lennox Mall  
In the front parking lot, coke still movin' good  
Guns still sparke a lot  
Hustlin' with family, partyin' with murderers  
D-Block and everything, shit you probably heard of us  
Yeah I'm a Ryder nigga, you ain't got a gun  
Or a motherfuckin' knife, you ain't even gon' try us  
I'll leave you with a hole daddy  
And for the fact that I'm in the Dirty South  
I'll be bouncin' in the old Caddy  
What, motherfucker
