

# Temple From The Within

## Killswitch Engage

Make me feel serenity when all is revealed  
So easy to look back in life and question  
But I must seek to find the strength  
To push forward  
I want to see what's so beautiful inside  
As we drink of life eternal  
Absolve me through your suffering  
Teach me to inscribe  
These words on my heart  
Cover me with the shadow of your hand  
I will not loose myself in everything that tears me down  
Because you stand by me  
No one to blame for my transgressions  
No one to blame but myself
