

Texas Strut

Gary Moore

One, two, three, four
Let me tell you about the Texas blues
I went down south to Dallas
To hear those cowboys wail
Came across that Billy Gibbons
Ridin' on that zeein' trail
I just can't lose with the Texas blues
I said, "I just can't lose with the Texas blues"
The Texas blues
Got myself in double trouble
When I saw that Texas flood
Stevie said, "The sky is cryin'"
Superstition's in his blood
I just can't lose with the Texas blues
I said, "I just can't lose with the Texas blues"
The Texas blues
Ah, how, how, how, how
Ha
Hoo
Come on
I heard that Houston twister
He could run you off the tracks

When he plays that cold, cold feelin'
You get the shivers down your back
I just can't lose with the Texas blues
I said, "I just can't lose with the Texas blues"
The Texas blues
Ah, how, how, how, how
Hmm, hmm
Yea
Yea
Ohoooh
Well, I'm going back to Dallas
Won't go waitin' for no bus
Ridin' off into the sunset
You won't see my heels for dust
I just can't lose with the Texas blues
I said, "I just can't lose with the Texas blues"

I said, "I just can't lose with the Texas blues"

And I just can't lose with the Texas blues

The Texas blues

Texas blues

Ah, how, how, how, how

Ah, how, how, how, how
