

I Love What You Do for Me

Incognito

Smile, like a happy child, feelin' safe in your embrace
Shine, sunshine, kiss you warmly on your face
This is the place where I am free
There is no where else I'd rather be Than here in your arms
Hypnotized by your charms
Every touch means so much
Boy, you blow my mind
I love what you do for me
(I love what you do, I love what you do for me)
What you do for me, baby Close your eyes and I'll creep into your dreams
Through your mind, weave a secret on your soul
'Cause all that you dream, I'm dreamin' too
No one else could take the place of you (I wanna be)
Here in your arms
Hypnotized by your charms
Every touch means so much
Boy, you blow my mind
I love what you do for me, baby
What you do for me, sugar I love what you do for me
Close to you's where I wanna be
Baby, baby, baby, baby oh Here in your arms
Hypnotized by your charms, yeah
Every touch means so much
Boy, you blow my mind, yeah oh Here in your arms, you know
Hypnotized by your charms, yeah
Every touch means so much
Boy, you blow my mind I love what you do, I love what you do
For me in your arms
I love what you do, I love what you do
By your charms
I love what you do, I love what you do for me You blow my mind
I love what you do, I love what you do
For me in your arms
I love what you do, I love what you do
By your charms
