Adeline

Kasey Chambers & Shane Nicholson

Poor Adeline, Poor Adeline
Where's your heart? Where's your mind?
First in the crowd, last in the line
The world can be so unkind
The winds gunna blow, the rains gunna call
Where do you hide? Where do you run?
Poor Adeline, Poor Adeline
Where's your heart? Where's your mind?Oh how a girl can fade away
Black and blue and shades of grey
Whose gunna save you now?
Poor Adeline, Poor Adeline
T ake a rest, take your time
You'll never know, you'll never find
All you took, you left behind
The winds gunna blow, the rains gunna call
Where can I stand? One by one
Poor Adeline, Poor Adeline
Where's your heart? Where's your mind?Oh how a girl can fade away
Black and blue and shades of grey
Whose gunna save you now?Poor Adeline, Poor Adeline
Where do you run? Where do you hide?
Poor Adeline, Poor Adeline
Where's your heart? Where's your mind?
Oh how a girl can fade away
Black and blue and shades of grey
Oh what a mess you've made today
Whose gunna save you, now?
