

# Nice Guy

Lukas Graham

Boy, I tried to tell you  
But you just wouldn't hear  
We've got the house full of ladies  
And you're acting a queer  
We've got your female friends  
But you can't get anywhere I'll tell you one last time, boy  
Life isn't fair, na-na-na If you feel ashamed  
Step up your game  
She's calling my name  
'Cause she's getting bored She thinks you're a fool  
For not making moves  
It could have been you  
Oh, so you're the nice guy?  
I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na Nice guy! I told you many times before,  
But boy, you did it again  
You met a hot ass girl,  
And turned her into your friend  
You bought her drinks all night long  
You we're ready to spent  
I brought her home that night  
And I should thank you again  
'Cause you're the nice guy  
If you feel ashamed  
Step up your game  
She's calling my name  
'Cause she's getting bored She thinks you're a fool  
For not making moves  
It could have been you  
Oh, so you're the nice guy? I'm gon' get my la-le-la  
He's gon' get some la-le-la  
All of my boys gon' get their la-le-la  
You won't get no na-ne-na I'm gon' get my la-le-la
