Who Do You Trust

New Edition

Fire and ice
Why don't we just throw in the dice?
Hot or cold
I never know which way you may goFollow me, follow me
I've waited too long to see
Problems are problems
The truth is our securityIt's my life, I can't waste the time
I've made my decision
So let's lay it on the line, oh, babyWho do you trust if you can't trust me?
I'm the one who loves you
Who do you trust if you can't trust me?
I'm the one who loves youIf you stay
I'll just try to make you aware
I'll be gone
If it don't get no betterHuman hearts can only take so much
Faith is my condition
If you want to keep in touch, oh, babyWho do you trust if you can't trust me?
I'm the one who loves you
Who do you trust if you can't trust me?
I'm the one who loves youWho do you trust, who do you trust
If you can't trust me?
Who do you trust, who do you trust
If you can't trust me?Who do you trust, who do you trust
If you can't trust me?
Who do you trust, who do you trust
If you can't trust me?It's my life, I can't waste the time
I've made my decision
So let's lay it on the line, oh, babyWho do you trust if you can't trust me?
I'm the one who loves you
Who do you trust if you can't trust me?
'Coz I'm the one who loves youWho do you trust if you can't trust me?
I'm the one who loves you
Who do you trust if you can't trust me?
We're running out of placesWho do you trust? Who do you trust?
Who do you trust? Who do you trust?
Who do you trust? Who do you trust?
Who do you trust? Who do you trust?Who do you trust?
(Who do you trust if you can't trust me?
Who do you trust?

(Don't you trust me, girl?)
Who do you trust?
Who do you trust?
(Running out of places)
Who do you trust if you can't trust me?
