Talking In His Sleep

Toni Braxton

So you know everything about your lover
Wanna bet?My, oh my
How can this be?
There he goes talking in his sleep
By, oh by
He will connive
Does he know he's talking in his sleep?The affair, okay
He's corrupt
What do I do, what do I say?
I feel ashamed, embarrassed, fatigued
Such a petty crime of sexual indiscretionAt night when he lays down
How I wish I could not hear the sound?
But I could
Oh the things that he saidMy, oh my
How can this be?
There he goes talking in his sleep
By, oh by
He will connive
Does he know he's talking in his sleep?'Adultery', that's what they call it
When you're married, tell me somethin'
Why is it that the men are forgiven and the women aren't?
I don't know maybe, maybe I should forgive him
Maybe I'm over reacting, what do you think, I'm not?The promises he made
Said, "We'll be together for always"
He's such a liar
Then he calls out her nameMy, oh my
How can this be?
There he goes talking in his sleep
By, oh by
He will connive
Does he know he's talking in his sleep?Guilty secrets
They are haunting my life
And he doesn't even know that I know
Can you hear him?The promises he makes
Said, "We'll be together for always"
He's such a liar
Then he goes out to burn me
Somebody help me, help meMy, oh my
How can this be?

There he goes talking in his sleep
By, oh by
He will connive
Does he know he's talking in his sleep?
