When God Says Move

Carmen Calhoun

Are you ready to move, God says move.
Are you ready to move, in what God has for you.
Are you ready to move, in the visions and dreams, Heâ€™s given you.
Are you ready to move, When God says move.

Lord give me wisdom and understanding too
To do Your will Lord just as you want me to
For not my will Lord but Thine will be done
In every situation, Lord I yield my will to you.

And if it be Your Will, Iâ€™ll go where you want me to go
And if it be Your will, Iâ€™ll go where you want, Be what You want ,
Do what you want me to do
And if it be Your Will, Iâ€™ll go where you want me to go

Are you ready to move, when God says move
