

Moonlight Shadow (French Short Cut)

Groove Coverage

The last that ever she saw him, carried away by a moonlight shadow
He passed on worried and warning, carried away by a moonlight shadow
Lost in the riddle last Saturday night, far away on the other side
He was caught in the middle of a desperate fight, and she couldn't find how to push through I stay, I pray, I see
you in heaven far away
I stay, I pray, I see you in heaven one day The trees that whisper in the evening, carried away by moonlight
shadow
Sing the song of sorrow and grieving, carried away by a moonlight shadow
All she saw was a silhouette of a gun, far away on the other side
He was shot six times by a man on the run, and she couldn't find how to push through I stay, I pray, I see you in
heaven far away
I stay, I pray, I see you in heaven one day Four a.m. in the morning, carried away by a moonlight shadow
I watched your vision forming, carried away by a moonlight shadow
Star was glowin' in a silvery night, far away on the other side,
Will you come to talk to me this night, but she couldn't find how to push through I stay, I pray, I see you in
heaven far away
I stay, I pray, I see you in heaven one day
