All I Am

Ramin Karimloo

I once heard it said
that when the Spirits make a soul
they sometimes dont complete the work
that theyâ€™ve begun

Once in a great while
a missing part -
the stories told -
is left to find before
the Spirits work is done

Ill not now deny
that such a soul have I
but Fate has shown a way to set things right
and cast away these shadows from the light
I share with you

How can I explain
why I would journey far away
when God has placed all that I love
so near to me?

But in staying still
we only run from who we are
when we are not all of the thing
that we would be

Be though I must dare
upon my soul I swear
no Fate could ever take your heart from mine
what I must leave and journey far to find
Ill give to you

All that I am
I give to you
