

High School Confidential

Rough Trade

She's a cool blonde scheming bitch
She makes my body twitch
Walking down the corridor

You can hear her stilettos click
I want her so much I feel sick
The girl can't help it, she really can't help it now

It's like a highschool, high school confidential
High school, a high school confidential

Teenage Brandos stalk her in the halls
They tease her with cat calls
She's a combination Anita Eckberg Mamie van Doren

Dagmar high school confidential

What's the principal doin' with her?
Who's that guy, is he screwing with her?
What's her perfume? Tigress by Fabergé
It makes me cream my jeans
When she's coming my way

High school, high school confidential
High school, a high school confidential

She drives a candy pink Cadillac
If I don't get her soon, I'll have a heart attack
When she flashes me a look I wanna burn my book
Give up high school

High school, high school confidential
High school, a high school confidential
High school, high school confidential
High school, high school confidential
