Fingerprints Of God

Steven Curtis Chapman

I can see the tears filling your eyes
And I know where they're coming from
They're coming from a heart that's broken in two
By what you don't see
The person in the mirror
Doesn't look like the magazine
Oh, but when I look at you it's clear to me
That I can see the fingerprints of God
When I look at you
I can see the fingerprints of God
And I know it's true
You're a masterpiece
That all creation quietly applauds
And you're covered with the fingerprints of God
Yeah, yeah
Never has there been and never again
Will there be another you
Fashioned by God's hand and perfectly planned
To be just who you are
And what he's been creating
Since the first beat of your heart
Is a living, breathing priceless work of art
And I can see the fingerprints of God
When I look at you
I can see the fingerprints of God
And I know it's true
You're a masterpiece
That all creation quietly applauds
And you're covered with the fingerprints of God
Yeah, yeah
Just look at you
You're a wonder in the making
Oh and God's not through, no
In fact he's just getting started
And I can see the fingerprints of God
When I look at you
I can see the fingerprints of God
And I know it's true
You're a masterpiece

That all creation quietly applauds
And you're covered with the fingerprints of God
Yeah, yeah
You're covered with the fingerprints of God
Yeah, yeah, you're covered with the fingerprints of God
Yes you're, yeah, you're covered with the fingerprints of God
Yeah, yeah
