

The Brilliant Dance

Dashboard Confessional

So this is odd
Painful realization that all has gone wrong
And nobody cares at all
And nobody cares at all So you buried all your lovers clothes
And burned the letters lover wrote
But it doesn't make it any better
Doesn't make it any better And the plaster dented from your fist
In the hall where you had your first kiss
Reminds you that the memories will fade So this is strange
A side stepping has come to be a brilliant dance
Where nobody leads at all
Where nobody leads at all And the picture frames are facing down
And the ringing from this empty sound
Is deafening and keeping you from sleep And breathing is a foreign task
And thinking's just too much to ask
And you're measuring your minutes
By a clock that's blinking eights And this is incredible, starving, insatiable
Yes, this is love for the first time
And you'd like to think that you were invincible
Yeah, well, weren't we all once before we felt lost for the first time Well, this is the last time
This is the last time
This is the last time
