

Liers In Wait

Liers In Wait

[Music & lyrics: Kristian Whlin] Dwelling, forgotten
Lords from the Birth of Time
Sleeping Keepers of all Truth
Lying dormant, within their Slumber Born of Eternity
Children of Eternity
Seven in Heaven
Seven on Earth Sent forth through the gate of no return
Released upon Man
Through the Ancient Depths of Atlantis (Arise!!!) They are Seven
They are Seven times Seven
"Mighty Children are They"
The Liers In Wait [CHORUS:]
Surveilling the Earth
Riding the Spheres
Ruling the Seas Gods before all Gods
Seven Wisest Oldest Ones
Seven Sacred Learned Ones
Slumbering and Dreaming
Below the deepest of Waters
The Liers In Wait [CHORUS:]
Entering Minds
Altering Dreams
Seizeth the Soul Watchers of the Future
Keepers of the Past They are Seven
They are Seven times Seven
"Mighty Ones are They"
The Liers In Wait [CHORUS:]
Move by the Moon
Move by the Stars
Beneath The Seas
The Liers In Wait
