Things Change

[Dwight Yoakam](#)

She said, baby things change
I said, but I feel the same
She said, well let me explain
Baby, how things can changeI said, but that doesn't show
How a love that could grow
Would become so estranged
she said, well baby, things changeShe said, na, na, na, na, na, now, now, baby, don't try
To figure this out, or ask questions 'bout why
Forever's a promise no love can survive
And trust with hearts just don't apply
She said, 'cause baby, things changeNa, na, na, na, na, now, now, so baby, I quite tryin'
To figure things out about all your heart's lyin'
Forever's a promise we couldn't survive
Hey, I may be slow, but I ain't blindShe said, I still love you so
I said, I don't care to know
She said, you once cried my name
I said, well baby, things change
And let's don't go placing no blame
'Cause you know things can changeNa, na, na, na, na, na
Na, na, na, na, na, na
She said, you once cried my name
I said, well baby, things change
