Faster

Plain White T's

I'm just as nervous as you
But last night, I took one look at you
And I got this feeling you're the right one
Now you don't know what to do
But time ticks away and you gotta choose
But you know which feeling is the right one
The right one
This is what it looks like
And this is what it feels like
And this is your heart beating faster, faster
I'll lose my voice if you won't make a choice
I'll lose my head if you go to him again
I'll lose my mind if you won't take me back tonight
Take me back tonight
I hope I'm not pressuring you
That's the last thing I'd ever wanna do
But you know which feeling is the right one
The right one
This is what it looks like
And this is what it feels like
And this is your heart beating faster, faster

I'll lose my voice if you won't make a choice
I'll lose my head if you go to him again
I'll lose my mind if you won't take me back tonight
Take me back tonight, take me back tonight
I can't stand this
I can't just watch you get hurt
But you know which feeling' is the right one
The right one
This is what it looks like
And this is what it feels like
And this is your heart beating faster, faster
I'll lose my voice if you won't make a choice
I'll lose my head if you go to him again
I'll lose my mind if you won't take me back tonight
Take me back
I'll lose my voice if you won't make a choice
I'll lose my head if you go to him again

I'll lose my mind if you won't take me back tonight
Take me back tonight, take me back tonight
Take me back tonight
