Drift Away

Michael Bolton

Day after day, I'm more confused But I look for the light through the pourin' rain You know that's a game that I hate to lose I'm feelin' the strain, ain't it a shame? Oh, give me the beat boys and free my soul I want to get lost in your rock and roll and drift away, oh yeah Give me the beat boys and free my soul I want to get lost in your rock and roll and drift away Beginin' to think that I'm wastin' time And I don't understand the things I do The world outside looks so unkind I'm countin' on you to carry me through Oh, give me the beat boys and free my soul I want to get lost in your rock and roll and drift away

I want to get lost in your rock and roll and drift away When my mind is free You know a melody can move me When I'm feelin' blue The guitars comin' through to soothe me Thanks for the joy that you've given me I want you to know I believe in the song Rhythm and rhyme and harmony You helped me along, you're makin' me strong Give me the beat boys and free my soul I want to get lost in your rock and roll and drift away Give me the beat boys and free my soul I want to get lost in your rock and roll and drift away
