Sofia

Son By Four

I fell in love with a beautiful Puerto Rican girl
And her name was Sofia
I met her in San Juan and I knew
She had be the one, mi nina bonitaThought everything was fine
When I looked into her Spanish eyes
How was I to know
That she wasn't really mine?In her eyes, there was another guy
That gave her amor
She couldn't see that my love
Was all she'll ever needThat in my heart, she's the air I breath
I feel her all over my bodySofia, she's the love de mi vida
Sofia, and she's driving me crazy
Sofia, she's the love de mi vida
Oh, mi nina bonitaSofia, and I know someday
She's coming back to stayI can see her every night in my mind
As I fantasize that she's still with me
But I can't deny every time the sun rises
And I open up my eyes, I feel so lonelyThought everything was fine
When I looked into her Spanish eyes
How was I to know
That she wasn't really mine?In her eyes, there was another guy
That gave her amor
She couldn't see that my love
Was all she'll ever needThat in my heart, she's the air I breath
I feel her all over my bodySofia, she's the love de mi vida
Sofia, and she's driving me crazy
Sofia, she's the love de mi vida
Oh, mi nina bonitaSofia, and I know someday
She's coming back to stayWhen you look into her Spanish eyes
You'll know what I mean
