

# Sofia

## Son By Four

I fell in love with a beautiful Puerto Rican girl  
And her name was Sofia  
I met her in San Juan and I knew  
She had be the one, mi nina bonita Thought everything was fine  
When I looked into her Spanish eyes  
How was I to know  
That she wasn't really mine? In her eyes, there was another guy  
That gave her amor  
She couldn't see that my love  
Was all she'll ever need That in my heart, she's the air I breath  
I feel her all over my body Sofia, she's the love de mi vida  
Sofia, and she's driving me crazy  
Sofia, she's the love de mi vida  
Oh, mi nina bonita Sofia, and I know someday  
She's coming back to stay I can see her every night in my mind  
As I fantasize that she's still with me  
But I can't deny every time the sun rises  
And I open up my eyes, I feel so lonely Thought everything was fine  
When I looked into her Spanish eyes  
How was I to know  
That she wasn't really mine? In her eyes, there was another guy  
That gave her amor  
She couldn't see that my love  
Was all she'll ever need That in my heart, she's the air I breath  
I feel her all over my body Sofia, she's the love de mi vida  
Sofia, and she's driving me crazy  
Sofia, she's the love de mi vida  
Oh, mi nina bonita Sofia, and I know someday  
She's coming back to stay When you look into her Spanish eyes  
You'll know what I mean
