Bed

sZa

Enter, the road splits open.
Bare to your left, my heart sits here.
This is my dream and its hopeless.
This is the bed I lie in, yeah.I only move for the gut punch.
Seeing your pain brings me such joy.
Love will only take you
Into the bed you lie in, yeah.'Cause I'm me, I'm me, revenge is my thing.
Watch 'em bleed, I like it.
Yeah, I like it.
Yeah, I like it, yeah.
Yeah.I fell off the truck,
Out of luck,
So perturbed, oh.
Get me off the ground,
To be found,
Call my name on the loud speaker.
Claim me loud enough for me to hear.Enter, the road splits open.
Bare to your left, my heart sits here.
This is my dream and its hopeless.
This is the bed I lie in, yeah.I only move for the gut punch.
Seeing your pain brings me such joy.
Love will only take you
Into the bed you lie in, yeah.Can I come, come, yeah?
Can I come, come, yeah?
Can I come, come, come, come, come, come, yeah?
Can I come, come, come, come, come, come, yeah?This is from the heart, this is what we live for.
Now back to the cheese, the cheese.
This is from the heart, this is what we live for.
Now back to the cheese, the cheese.
At ease, at ease, at ease.Enter, the road splits open.
Bare to your left, my heart sits here.
This is my dream and its hopeless.
This is the bed I lie in, yeah.I only move for the gut punch.
Seeing your pain brings me such joy.
Love will only take you
Into the bed you lie in, yeah.
