

# Michael You've Got a Lot to Answer For

## Duran Duran

I came over your place today  
In a roundabout sort of way  
Nothing holding me, just the company  
Gentle giving the afternoon  
Don't ever try to be any more  
Michael, you've got a lot to answer for  
You unlocked some of the doors to my soul  
And I don't see you for awhile  
Thinkin' of you will make me smile  
You never bother me with responsibility  
Misbehaving in candlelight  
Don't ever try to give any more  
Michael, you've got a lot to answer for  
You got me wakin' up wise to the world  
Trust you to get caught up in somebody's war  
You'll come out of it all in time, I'm sure  
Just remember what friends were put here for  
Michael, you've got a lot to answer for  
And I know that you're gonna call  
If you need me, when you need me  
If you need me
