

I'll Be Lovin' U Long Time (Tyler Adam reMIX)

Mariah Carey

I'll be lovin' you long time
I'll be, I'll be, I'll be
(I'll be lovin') You ain't even gotta worry
About a thing I gotcha babe
And ain't nobody takin' me away
It's not a game I'm here to stay
Our love is stronger than any drug
Addictive just can't get enough
And every time I'm with you
I want some more
Just close the door
And let's explore each other Long as I know you got me
I'll be loving you long time
(As I can be)
I'll be loving you long time
(Eternally)
There's no stopping you and me
(I'll be loving you long time)
As I can breathe
(I'll be loving you long time)
Eternally) Don't care what no one has to say
They don't understand us like we do
I need you near me night and day
Together there ain't nothin' we can't do
Scoop me up and we can go
To that little spot where no one knows
Spend a little time just us alone
You can caress my body and never let go Long as I know you got me
I'll be loving you long time
(As I can be)
I'll be loving you long time
(Eternally)
There's no stopping you and me
I'll be loving you long time
(As I can breathe)
I'll be loving you long time
(Eternally) I don't want another
Ain't gon' never be another
Can't nobody do what you do to me

Don't want another
Ain't gon' never be another
Can't nobody do what you do to me
Don't want another
Ain't gon' never be another
Can't nobody do what you do to me I'll be loving you long time
(As I can be)
I'll be loving you long time
(Eternally)
Long as I know you got me
I'll be loving you long time
(As I can be)
I'll be loving you long time
(Eternally)
There's no stopping you and me
I'll be loving you long time
(As I can be)
I'll be loving you long time
(Eternally)(I'll be lovin')
I'll be loving you a long time
I'll be loving you a long time
