

# Divided

## Toy-Box

Christmas days and Valentines,  
happy days when you were mine  
Baby, Easter morning, summer nights,  
how I miss you by my side Many lonely nights I cried.  
Wondering boy, why oh why?  
Even though I can't deny our love, love you so I'm divided in two. Please tell me what should I do?  
A part of me says no no no no, and another runs to you  
So divided in two. Please tell me what should I do?  
'Cause you're driving me crazy, I'm so in love with you Every evening, every hour,  
every day where are you now?  
Baby, every time I close my eyes,  
see your face and then I cry  
Now I feel I can't describe,  
how I miss you here tonight  
Though you make me feel like I'm alright, be by my side I'm divided in two. Please tell me what should I do?  
A part of me says no no no no, and another runs to you  
So divided in two. Please tell me what should I do?  
'Cause you're driving me crazy, I'm so in love with you Um...I'm not here right now, so leave a message,  
bye Baby, please pick up the phone, I know you're there.  
Anyway, I just want to tell you that I'm sorry,  
I love you, and I miss you I'm divided in two. Please tell me what should I do?  
A part of me says no no no no, and another runs to you  
So divided in two. Please tell me what should I do?  
'Cause you're driving me crazy, I'm so in love with you  
Oh boy you're driving me crazy, I'm so in love with you
