Small and Silver

Wet

Lead me to a mountain, take me to the sea
Leave me on a mountain, drown me in the sea
I will take what I can getSmall and silver, teach me how to live
Small and silver, teach me how to lie
I will take what I can getLeave me breathless, oh
Leave me helpless, oh
Leave me, leave me, oh
Leave me, leave me, oh
Leave me, leave me, oh
Leave me, leave me
Leave me desperatePut me in a clown car, take me for a drive
Kiss me in the front seat, take me for a rideSmall and silver, teach me how to live
Small and silver, teach me how to lie
I will take what I can get
I will take what I can, take what I can
Take what I can, oohLeave me desperate
Leave me breathless, oh
Leave me helpless, oh
Leave me desperate
Leave me, leave me, oh
Leave me, leave me (Leave me here)
Leave me, leave me, oh
Leave me, leave me
And leave desperately
Leave me, leave me, oh
Leave me, leave me (Leave me here)
Leave me, leave me, oh
Leave me, leave me
Leave me desperate
