

# One More Drink

Heidi Montag

(I might be yours tonight)  
I see you lookin' at me in the club  
You been waitin' to come and show me love  
I'm passed my limit, he's lookin' good, must admit it  
Happy juice up in my system, let's keep it hot bartender  
His hands upon my waist, so close that I can't wait  
I'm going home with you, if I have one more drink One more drink then i'll be, then i'll be in love (one drink)  
Then i'll be in love, yeah (you may get lucky)  
One more dance, good chance that you'll be in love, that I'll be in love, yeah  
(Baby)  
One more drink then i'll be, then i'll be in love  
Then i'll be in love, yeah  
(I'll be yours tonight)  
One more dance, good chance that you'll be in love, that I'll be in love, yeah I'm getting lost in this liquid high  
I'm elevated to some new heights  
You got me doin' things I never do  
Sippin' on that happy juice  
It's all because of you I'm passed my limit, I think I like it  
Goose up in my system, I'm drunk under the stars so keep on  
His hands upon my waist, so close that I can't wait  
I'm going home with you, if I have one more drink One more drink then i'll be, then i'll be in love (one more  
drink)  
Then i'll be in love, yeah  
One more dance, good chance that you'll be in love, that I'll be in love, yeah  
One more drink then i'll be, then i'll be in love (you might get lucky, babe x2)  
Then i'll be in love, yeah  
One more dance, good chance that you'll be in love, that I'll be in love, yeah When I start the alcohol, I'm  
feelin' clumsy about to fall  
You got me love drunk, I don't wanna stop (x2) It's official (can't explain), I'm twisted up (can't complain)  
It's conditional (tell me your name), so we can go harder Come on baby and take me home  
You ain't gotta worry baby, I'm grown  
I'm sippin' it quick to get you back home alone One more drink then i'll be, then i'll be in love  
Then i'll be in love, yeah  
One more dance, good chance that you'll be in love, that I'll be in love, yeah  
One more drink then i'll be, then i'll be in love  
Then i'll be in love, yeah  
One more dance, good chance that you'll be in love, that I'll be in love, yeah  
(One more drink, drink, drink....) (vocals fade)
