Fried Bread

Jim Gaffigan

But there's unhealthy eating everywhere; I was in Arizona and New Mexico, and there are people eating fried bread.
There are stands that sell only fried bread, and I saw that and I was like, "
I found my people." Fried bread!
I eat unhealthy but come on.
I know that donuts are fried bread, but atleast we don't call them fried bread.
At what point do you even feel comfortable eating something called, "
Fried Bread," "
Have you ever eating cake in the shower?" couple times.
