Inside My Head

Toro y Moi

Ok
I left my baby down in San Francisco
I could never leave another one like her
Slow down somewhere outside of Reno
Situation's making me tiredI swear I spend most of my night
Just looking up in the sky
While my mind imagines
You're with us still now
I'm alone in a crowd
Whereabout? I don't know
I couldn't tell you where I'll go
Try to get in deep to stay inside my head
Wanna get a piece of what they have instead
Try to dig in deep to stay inside my head
Wanna get a piece of what they have insteadLeft my baby down in San Francisco
I could never leave another one like her
Slow down somewhere outside of Reno
Situation's making me tiredI swear I spend most of my night
Just looking up in the sky
While my mind imagines
You're with us still now
I'm alone in a crowd
Whereabout? I don't know
I couldn't tell you where I'll go
Try to dig in deep to stay inside my head
Wanna get a piece of what they have instead
Try to dig in deep to stay inside my head
Wanna get a piece of what they have instead
Try to dig in deep to stay inside my head
Wanna get a piece of what they have instead
Try to dig in deep to stay inside my head
Wanna get a piece of what they have instead
