

You're the Good Things (It's Alright to Die)

Modest Mouse

You were right I'm hanging round because
Slight of hand won't separate us from them
You were right I'm underground because
Slight of hand won't separate your body from the dirt you're standing on today
You're the good things yeah that's you You're the icing on the cake on the table at my wake
You're the extra ton of cash on my sinking life raft
You're the loud sound of fun when I'm trying to sleep
You're the flowers in my house when my allergies come out
You're the good things And help's not short when you're digging your grave
I'll help you dig it
So you're digging your grave now
You're speaking my language I'll help you dig it
