Lecrae

For better or for worse
Make it work
I ain't goin nowhere

[Verse 1:]

Yeah, I messed up, but you hurt me, Blew it like it's yo birthday
And you love it baby on Wednesday, but I make you sick on Thursday
And I know I'm wrong and you shutin' down, and I touch down like "What now?"
Why we going through all this? Why things gotta be rough now?
But, you had so many break-ups, you can't believe
You go and break my heart that I forgive and I ain't leave
Don't define you by your faults, ain't gon' push your buttons either
Everyday we startin' fresh, this is how it's s'posed to be
Never try to take advantage, you respect me as a man
But every once a while you get to poppin' off and say stuff you shouldn't be sayin'
But I'm witchu, I ain't playin', if it's thick or if it's thin
Both the times and your figure, girl, this is who I am
I love you baby, that's real talk, and this life we live is a real walk
I ain't goin nowhere, tell your girlfriends that it's still on
I love you baby, that's real talk, this life we live is a real walk
I ain't goin nowhere, tell your friends that it's on

[Hook:]

For better or for worse
Sometimes I make you sick, and you get on my nerves
Make it work
I ain't goin nowhere, and I give you my word
I will be right here
So though push my buttons
I ain't leavin'
You can keep on pushin'
I ain't leavin'

[Verse 2:]

I be makin' you mad, girl
But you said you'll never leave me lonely
So I had to put a ring up on it, 'cause our commitment ain't no game
Yeah we laugh, but we ain't playin', I'mma always be yo mane
And I know sometimes I upset you, be pushin' all yo buttons

We be fussinâ€™, fighting over nothinâ€™, you can try to leave, but Iâ€™m cominâ€™
We gonâ€™ work it out with no runninâ€™, pushinâ€™, shovinâ€™
I know sometimes that I'm selfish, but I jump in front of yoâ€™ bullet
Cause you everything that prayed foâ€™, plus a little bit extra
Even when you getchu an attitude and you act a little bit extra
Listen, you make better, babe, you make better, babe
You got my heart and you can have it for forever, baby
And though weâ€™ll never break up, I hate it when we mad
But love it when we get to make up, no lines that I could make up
To let you know how much I got you covered, girl
And I only be pushinâ€™ yoâ€™ buttons because I love you, girl
