

# God's Whisper (Flosstradamus & Aryay Remix)

## Raury

I won't compromise  
I won't live a life  
On my knees  
You think I am nothing  
I am nothing  
You've got something coming  
Something coming because I hear God's whisper  
Calling my name  
It's in the wind  
I am the savior  
(Sing it again!)  
Savior  
Savior  
(I can't hear you! What?)  
Savior (What?)  
Savior We are indigos  
(Savior, Savior)  
Living lives we chose  
(Savior, Savior)  
Show you're brave  
Those will faith  
(Savior, savior)  
On a mission  
Led by intuition  
You should listen because I hear God's whisper  
Calling my name  
It's in the wind  
I am the savior  
I hear God's whisper  
Calling my name  
It's in the wind  
I am the savior  
We are the saviors! I hear God's Whisper  
Calling my name  
We are the saviors!  
It's in the wind  
I am the savior  
We are the saviors! I hear God's Whisper  
Calling my name

We are the saviors!  
It's in the wind  
I am the savior  
We are the saviors! Savior
