Trinidade

Kaysha

I don't know if I deserve you
I'm sad when I'm with you
I'm dying without you
no, no, no trinidade

I don't know if I deserve you
I'm sad when I'm with you
I'm dying without you
no, no, no trinidade

I remember when I had no friends
You came and you been my best friend
I remember when I had no ends
You came and you gave me your ends
I remember when I had no limits
You came and you gave me a way of life
when I had no baby
You came and you gave me a babyboy

I dont know if I deserve you
I'm sad when im with you (I don't know)
I'm dying without you
no, no, no trinidade

I don't know if I deserve you (I don't know)
I'm sad when I'm with you
I'm dying without you
no, no, no trinidade

(Yeah, is just you and me)

I remember when I had no rules

You came and you gave me some rules
I remember when I wasn't so good
You came and you made me a good man
I remember when I cried in the rain
You came and you gave me some sunshine
And I remember when I was so sad

You came and you made me a happy man

I don't know if I deserve you
I'm sad when I'm with you
I'm dying without you
no no no, trinidade

I don't know if I deserve you (I don't know)
im sad when I'm with you (I'm sad)
I'm dying without you
baby, baby, trinidade

I don't know if I deserve you
(I don't know, i don't know, i don't know baby girl)
I'm sad when I'm with you
I'm dying without you
oh, oh, trinidade

Hey girl listen to me
It's just about you and me
I don't know what you to do Trinidade
