

# So Cold

**Richie Kotzen**

Dead but my hearts still beating  
You got me lost and I've stopped believing  
In you  
I was used and abused by you and I can't

Believe it  
Five years the best of my life to  
Show me  
Your so cold how did I ever let you get me

Your sol cold how did I ever let you get to me  
Blind to the web you wrapped me in  
Deaf to the lies your spinning  
I'm just a fool that believed in you

But now I'm faithless  
A broken heart and a scarred mind  
That what you left me
