Sci-Clone

GZR & Geezer

You will be assimilatedThrough sci-clone eyes you will see
No compromise you will be free
To realise your destiny
No sacrifice come follow meYou're not machine
You're not human
You have no thoughts
Of your own
Just a small part
Of a network
Take a number
Follow me
The future hides our history
In sterilised security
Lobotomised, dehumanised
Through sci-clone eyes you will seeAssimilate, assimilate
You're not machine
You're not human
You have no thoughts
Of your own
Through sci-clone eyes you will see
No compromise you will be free
To realise your destiny
Lobotomised, dehumanised
Through sci-clone eyes you will see
