Some Other Dude

Everywhere

Verse 1You played your part
Right from the start
But I knew that it wouldn't matter
I guess the queen
outran the kingI don't wanna be giving it up
You keep on asking
Don't wanna give it all up
And let it go-oh-oh-oh
Sometimes I feel like I'm stuck
What are you asking?Chorus 1Get it going
Get the ball rolling
I should have made my move
I think I lost my groove
Now she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dudeVerse 2Strobing lights
And sleepless night
Turned into a lost endeavor
You set your sight on something newI don't wanna be giving it up
You keep on asking
Don't wanna give it all up
And let it go oh- oh-oh
Sometimes I feel like I'm stuck
Where are we standing?Chorus 2Get it going
Get the ball rolling
I should have made my move
I think I lost my groove
Now she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dudeBridgeI don't wanna be giving it up
Don't wanna give it all up
Sometimes I feel like I'm stuckChorus 3Get it going
Get the ball rolling
I should have made my move
I think I lost my groove
Now she's dancing dancing
With some other dude

Get it going
Get the ball rolling
I should have made my move
I think I lost my groove
Now she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dudeNow she's dancing dancing
With some other dude
