

Small Talkin'

Brandon Ray

â€œSmall Talkinâ€•

Brandon Ray

Shot glasses on mahogany
Neon buzzin, smoky rings
Hungry souls & broken hearts
Lonely shadows in the dark
I could ask you â€œwhatâ€™s your name?â€•
We could play those same olâ€™ games
Pretend weâ€™re here for somethin more
Than what weâ€™re really lookin for

Oh-o-o, Iâ€™m done with small talkin
Dancin all around it when we know we both want it
So tired of cheap lines
Why lie, baby, letâ€™s just be honest
Iâ€™m done with small talkin

I couldnâ€™t help but catch your eye
You been watchin me all night
Throwin â€œwant-you-looksâ€™ my way
And now thereâ€™s nothin left to say

Oh-h-h-whoa, Iâ€™m done with small talkin
Dancin all around it when we know we both want it
So tired of cheap lines
Why lie, baby, letâ€™s just be honest
Girl, no regrets, your hair a mess
My shirt, your dress across the floor
Oh, tell me what weâ€™re waitin for

Iâ€™m done with small talkin
Dancin all around it when we know we both want it
So tired of cheap lines
Why lie, baby, letâ€™s just be honest
Oh-o-o-o, Iâ€™m done with small talkin
Dancin all around it when we know we both want it
So tired of cheap lines
Why lie, baby, letâ€™s just be honest
Why lie, baby, letâ€™s just be honest

Iâ€™m done with small talkin
Girl, Iâ€™m done with small talkin
Yeah-h-h
