Hyacinth

Dead Heavens

On the day that you floated away
As you lay slippin through my fingers
Watched you go from the valley below
{ } Never seen it

Chorus
So come back down
I want you around
A hyacinth into the sky

catch the wind to the heaven you're in
oh let me ascend i wanna meet you
held you close but i could not breathe
you said i was evil and i couldn't believe

Chorus
So come back down
I want you around
A hyacinth into the sky

Come back down
I need you now
Like hyacinth into the sky

Won't you come down
Won't you come down
Won't you come
Won't you come
