It's Got to Be Right Now

Filter

Sing it to me
So much wrong
'Cause like a slow mo movie
Untie the nightYou can change the world tonight
Or change the world you madeBring it to me
So much more to me
Face too tainted
You are seeming[Chorus]
It's got to be right now
It's got to be right
It's got to be right now
It's got to be right
It's got to be right now
It's got to be right
It's got to be right nowCome to us
Shining beauty
It's too hard to row in
Stick it to meYou can change the world tonight
Or change the world you madeBring it to me
So much more to me
Face too tainted
You are seeming[Chorus]It's so much, I'm torn
You're wasting time
Just admit defeat
I know you must hear meI won't take defeat
Having you inside
My heart goes numbBring it to me
Untie the knotYou can change the world tonight
Or change the world you madeBring it to me
So much more to me
Face too tainted
You are seeming[Chorus]
