

Everything You Are

Lindsay Pagano

All I need
Is everything you are Love can be complicated
Too often mistranslated
One word's for all dynamics
Can lead to problematics Emotions and affections
Feelings in all directions
Sometimes a simple action
Creates satisfaction And as long as you are mine
I will take the time
To let you know
What I feel for-All I need
Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart Cherish, she wants to chatter [?]
Mind games over matter
Not looking for suggestions
More answers, with questions I speak with hugs and kisses
'Cause true love never misses
I will lead or follow
To be with you tomorrow And as long as you are mine
I will take the time
To let you know
What I feel for-All I need
Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart There's nothing you could ever say, whoa..
[there's nothing you could ever say]
To make me wanna walk away And as long as you are mine
I will remind [myself]
This love is free All I need
Is everything you are
Complete
And if you ever fall
I'll be
Here standing in the shadow of my heart [fade out]
