U Drive Me Crazy

*NSYNC

I'm feeling weak
I cannot sleep
My head is burning
I feel cold down to my feet
I want to yell
Somebody help
Is there a cure for what I've got?
Somebody tell me
I need your lovin' face
I need your sweet embrace
'cause you are my only medicine
You drive me crazy
Why are you messin' with my mind?
You drive me crazy
Why are you tellin' all these lies?
You drive me crazy
Stop doin' all these things to me
You drive me crazy
'cause all I want is to be free
You're on my mind
I'm so uptight
I feel sensations from my head down to my spine
Goin' insane
Can't stand the pain
Is my condition permanent somebody tell me
I need your lovin' face
I need your sweet embrace
'cause you are my only medicine
24/7 you are on my mind
I'm goin' crazy
You are the cure and you know but you don't care.
Girl you're drivin me insane....
You can say what you want to, do what you want to.
As long as you love me girl, I won't front you.
You're the sweetest thing,
Lemme be your man, lemme hold your hand, or
Lemme be your friend.
Meanwhile, we'll set the house up on the hill,
Girl as you know, it's all about the dollar bill.

Girl, I'll treat ya like a queen, like a lady.
Check out your clothes,
You drive me crazy.
You're always on my mind,
I need you all the time
So come and get with me,
'cause darlin', you're the one I need.
Someone to hold me tight,
'cause I can't sleep at night.
You are my fantasy,
Girl, you drive me crazy!
You drive me crazy
Why are you messin' with my mind?
You drive me crazy
Why are you tellin' all these lies?
You drive me crazy
Stop doin' all these things to me
You drive me crazy
'cause all I want is to be free
Crazy...
Why are you messin' with my mind?
Crazy...
Why are you tellin' all these lies?
Crazy...
You drive me crazy
Crazy...
'cause all I want is to be free
Crazy
