

Love Like This

Wild Belle

My heart's on fire
You like me off and I can't go down
Your love is wild
You're dangerous, you're dangerousMy heart's on fire
You like me off and I can't go down
Your love is wild
You're dangerous, you're dangerousRemember when you kissed me by the sea
You were saying all the things
that I'd like to believe
That you could give me all your love
You could give me just enough
And we could live in paradise
and never have to leaveBut is it true?
Whenever I look around
I can always find you
I'm aside in the mornin'
and I, and I can't get it all the timeMy heart's on fire
You like me off and I can't go down
Your love is wild
You're dangerous, you're dangerousI'd never knew a love like this
I'd never knew a love like this
Is it too good to be true? Ah, ah...
Am I dreamin' or is this love real? Ah, ah...I like your style
I like your smile
Everything about you
When you're on time
I let you take me for a ride
We can go anywhere you want toMy heart's on fire (Ah, ah...)
You like me off and I can't go down
Your love is wild (Ah, ah...)
You're dangerous, you're dangerousYour style
I like your smile
Everything about you
When you're on time
I let you take me for a ride
We can go anywhere you want toI'd never knew a love like this
I'd never knew a love like thisI'd never knew a love like this
I'd never knew a love like thisI'd never knew a love like thisOh...
