Love Like This

Wild Belle

My heart's on fire
You like me off and I can't go down

Your love is wild

You're dangerous, you're dangerousMy heart's on fire

You like me off and I can't go down

Your love is wild

You're dangerous, you're dangerousRemember when you kissed me by the sea

You were saying all the things

that I'd like to believe

That you could give me all your love

You could give me just enough

And we could live in paradise

and never have to leaveBut is it true?

Whenever I look around

I can always find you

I'm aside in the mornin'

and I, and I can't get it all the timeMy heart's on fire

You like me off and I can't go down

Your love is wild

You're dangerous, you're dangerousI'd never knew a love like this

I'd never knew a love like this

Is it too good to be true? Ah, ah...

Am I dreamin' or is this love real? Ah, ah...I like your style

I like your smile

Everything about you

When you're on time

I let you take me for a ride

We can go anywhere you want to My heart's on fire (Ah, ah...)

You like me off and I can't go down

Your love is wild (Ah, ah...)

You're dangerous, you're dangerous Your style

I like your smile

Everything about you

When you're on time

I let you take me for a ride

We can go anywhere you want to I'd never knew a love like this Oh...
