# If You Real

## Thugz From Da Southside

[Pimp Teddy]
Iâ€™m ready to rip it upâ€¦ open it upâ€¦ bust it up,
â€¦ These Thugz from Da Southside,
Where I reside,
You donâ€™t really wanna fuck with us,
This shit could get real, real drastic,
When I pull the plastic,
And cock,
â€¦ That muâ€™hfuckinâ€™ hammer,
God damn it,
Could surely putcha unda and take over yo block,
I ainâ€™t goinâ€™,
Knowinâ€™,
Youâ€™s a, hoe to the first degree,
See,
â€¦ Iâ€™ve been known for ?? a scene,
Very clean,
From a robbery,
And, possibly,
â€¦ Take you upside the ass to the nearest lake,
Watch you drown,
With a frown,
On yo face,
You a disgrace,
Toâ€¦ all the mothafuckas that you everyday hang with,
â€¦ Slang with,
And do yo thang with,
Gangbang with,
Posted up on the corner,
Full of Marijuana,
â€˜bout 30 deep,
Iâ€™ve been ?? watchinâ€™ yo ass so much that I canâ€™t sleep,
â€¦ Waking up in the middle of the night cause I know it was wrong,
But you cannot be from my hood, but slang rocks all day long,
Get on,
â€˜Fore you get spit on,
Give respect,
To the bullet,
Backed up by my chrome,

To the bone,
Tone,
Nigga, play the bullets cause Iâ€™m real,

[Nigaro]
[If you real,
Shoot to kill,
Mothafucka, if you real] x3
[If you real,
Shoot to kill,
If you down for yo meal]
Repeat x2

[Lilâ€™ Corb]
You got a smile on yo face, but that dumb ???? activity,
That shit you talkinâ€™ â€˜bout what you goinâ€™ do, my nigga, ainâ€™t shit to me,
I see you with yo niggas, and you actinâ€™ hard as fuck,
I catch you by yoself and then you shit out of luck,
You claim that you so real, that you be lyinâ€™ â€˜bout yo riches,
The niggasâ€¦ the hoesâ€¦ and all of yo bitches,
Iâ€™m lookinâ€™ in yo eyes, I see right through you like a glass,
But if you was so real, you'd let yo nigga wanna kick his ass,
And plusâ€¦ you pulled that Glock and then I pulled the trigga,
Donâ€™t wanna hearâ€¦ you just another dead ass nigga,
???â€¦ all because you did not keep it real,
When you pull that fuckinâ€™ Glock, you gotta be willinâ€™ or ready to kill,
Whatâ€™s the deal,
â€¦ yo heart is full of shame and full of fear,
Leave you face down ??? I gotta make it over here,
Do I make myself clear,
Do you hear me,
Do you feel me,
If you pull that Glock on me you better make sure that you kill me,

[Nigaro]
[Hook 1] x3
[Hook 2]
Repeat x2

[Total Kayos]
You gotta be real,
Mothafucka, to shoot to kill,
Cause I will,
Start blasting on yo ass until yo bodyâ€™s full of steel,
Gotta be real,

Enough,
To fix up,
To get buck,
With this,
Artistic, evil minded rollinâ€™ with a thug click,
We really donâ€™t give a fuck about you or that fuckin' tech,
We got them Glocks ???????? vest,
Iâ€™m in ??? with them thugs ready to wreck yo set,
Iâ€™m real, niggas on the ground ????,
[Nigaro]
Niggas that brag,
About these things you did in the past,
Bring yo weak shit,
To this click bitch,
Nigga, SEE how long you last,
Let a Nigga know,
Betcha Nigaro,
Leave you shakinâ€™ in yo boots,
So much pain you goinâ€™ feel,
Keep it real,
Do yo thang, nigga shootâ€¦
Iâ€™m about mine,
Nigga, anytime,
Cominâ€™ with them thangs in my hand,
?? All that,
Who the fuck is runninâ€™ â€˜round,
???,
Be a man,
Donâ€™t forget me though,
Umma hit ya bro,
Nigaro,
Goinâ€™ have to take aâ€¦ hoe ass nigga,
????,
In ya back,
???,
BITCH!

[Hook 1] x3
[Hook 2]
Repeat x2

~30 second outro~
