

# Black Hole (Battle Tapes Session)

## Be Your Own Pet

Drinking Coca-Cola all night  
Ooh baby, wanna get in a fight  
Breaking glass bottles is oh so fun  
Let's go and kill someone Living in this city, I get so bored  
Wanna kill myself on a telephone cord  
I guess we could go drive around  
What's the point in this town? Always going back and forth  
Ooh, I'm living in a black hole  
Sick of all the same lame faces  
Oh, I'm stuck in a black hole Always going back and forth  
Ooh, I'm living in a black hole  
Tired and there's nowhere to go  
Oh, I'm stuck in this black hole Staying out 'til six in the morning  
Trying to find something that's not boring  
We could go party down the street  
And show those kids to the beat Eating pizza is really great  
So is destroying everything you hate  
I just wanna lose all control  
[Incomprehensible] fucking hell hole Always going back and forth  
Ooh, I'm living in a black hole  
Sick of all the same lame faces  
Oh, I'm stuck in a black hole Always going back and forth  
Ooh, I'm living in a black hole  
Tired and there's nowhere to go  
Oh, I'm stuck in this black hole Drinking Coca-Cola all night  
Ooh baby, wanna get in a fight  
Breaking glass bottles is oh so fun  
Let's go and kill someone Living in this city I get so bored  
Wanna kill myself on a telephone cord  
I guess we could go drive around  
But what's the point?
