

If I Fall

Kalee Hric

I don't wanna fall into the darkness
I might hurt myself
And I don't wanna fall into loneliness
Might hurt someone else But if I fall
If I fall
I wanna fall into Your arms
If I fall
If I fall
I'll get back up
With the power of Your love
If I fall
If I fall
I don't wanna fall into emptiness
and have nothing at all
I don't wanna fall into the silence
and not hear Your call But if I fall
If I fall
I wanna fall into Your arms
If I fall
If I fall
I'll get back up
With the power of Your love
If I fall
If I fall I don't wanna fall
No I don't wanna fall
I don't wanna fall
But if I fall
I'll get back up
With the power of Your love
I'll get back up if I fall I'll get get back up
With the power of Your love
If I fall
