

Sooner Or Later

Monrose

Hey you fool what is it you do?
What you getting yourself into?
I won't be no good for you
(I'm no good for you)
Hey boy I'm sorry to say
I could do this everyday
I'm my own worst enemy
CHORUS:
Sooner or later
It's gonna come around for you, yeah
Sooner or later
It's gonna come around for yo, yeah
Sooner or later
I'll be be turning you on, yeah
Sooner or later
Sooner or later I'm just making it so intense
I'm gonna break your confidence
Just because I'm such a mess
(I'm no good for you)
Sometimes I take it too far
Dancing around like a bollywood star
Get real drunk and smash up a car
CHORUS:
Sooner or later
It's gonna come around for you, yeah
Sooner or later
It's gonna come around for you, yeah
Sooner or later
I'll be be turning you on, yeah
Sooner or later
Sooner or later Sooner or later
It's gonna come around for you, yeah
Sooner or later
It's gonna come around for you, yeah
Sooner or later
I'll be be turning you on, yeah
Sooner or later
Sooner or later I'm gonna kick it like that
You gonna take it right back
I'm gonna do it like that
You gonna take it right back x2
