## Acid Drinkers

Buy yourself some drums  
and a guitar too  
turn on the mike  
we're jammin' dude!  
Steady as she goes  
it's an easy beat  
let's record this stuff  
so what if it's shit?  
Don't look back  
watcha doin' man  
don't you know that tuning  
guitars isn't in?  
fire it up  
let's play on ten  
we'll play in the basemant  
where the bass is beter, man.  
Play that riff, is it E or A  
gimme a break, no one knows anyway  
we'll make a demo and sell the whole lot  
nobody wants to buy it?  
Oh, fuck, why not?!
