Tech N9ne

(featuring Boy Big & Big Krizz Kaliko)

Ho, ho, ho, ho, ho, ho, ho, ho

Ho, ho, ho, ho, ho, ho, ho, ho

Ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, ho

Ho, ho, ho, ho, ho, ho, ho, ho

Ho, ho, ho, ho, ho, ho, ho, ho

Ho, ho, ho, ho, ho, ho, ho, ho, ho, ho, HOOOOO!

I hate you

Can't stand you

Despise you

Detest you

[Chorus] Look away from me when you see me

Never look into my eyes

Your infection crowds my daily

So this can't be paradise

When you walk don't come my way

And don't dare honk at me when you drive

I'm The Grinch I smell your stinch

And it is you I so despise

[Tech N9ne] I can't stand yo persona, the drama, yo marijuana, or yo momma

I really despise yo ama so comma I disapo who you honor

I see what you people can offer

I wonder what mommy taught ya

If it was up to me the G

I wanna sought ya, caught ya, and then offed ya

I hate what you become

Hate you have your freedom

Hate watchin your reruns

Hate givin you refunds

I call em how I see em

When I see scum

I free from

The legions

Cerebrum

I see none

See your just really dumb

Hate seein your whores

Hate cleanin your floors

Hate doin your chores

Won't be in your awards  
Funk being your whore  
Hunks being of course  
You punks being endorsed  
Chumps being assured  
Dumped being divorced  
To test you like a sickness  
I bet you'd like to lick this  
From Texas right to Memphis  
Built with ex dykes and glimpses  
Of everything I hate  
It would be great  
For you to skate  
Off in a lake  
A beautiful fate  
I hope nobody is at yo wake  
[Chorus] Look away from me when you see me  
Never look into my eyes  
Your infection crowds my daily  
So this can't be paradise  
When you walk don't come my way  
And don't dare honk at me when you drive  
I'm The Grinch I smell your stinch  
And it is you I so despise  
[Tech N9ne] We're livin in the cold age  
Road rage  
Dark no Sole  
No way  
Jose Cuearvo  
There goes yo day  
Every scare  
Everywhere

Knows bogay  
This life is too soft  
Haters more true talk  
I hate the way that you cough  
Hate you when you blew off  
You coofa  
Your crueler  
So cool off  
If we were arm and arm in handcuffs my arm I would rather chew off  
So many reasons why I can't stand you  
The man who's scam is to ban you  
Cram you in the can underland in Grand View

Damn you if you stand near my fam I slam you  
Samhein  
Champaign your family and you  
I'm a monster when it comes to you  
Conquer every one of you  
Trade tours  
Paid for  
Your neighbor  
Cause they whores  
Pray for  
Decor  
Cause your state will create race wars  
[Chorus]Look away from me when you see me  
Never look into my eyes  
Your infection crowds my daily  
So this can't be paradise  
When you walk don't come my way  
And don't dare honk at me when you drive  
I'm The Grinch I smell your stinch  
And it is you I so despise  
[Tech N9ne]I hate you when you destroy buildings  
And kill millions  
Of children  
From black white Chinese Cicilian  
I thrill  
When you feel sin  
Dealin drugs to billions  
Awaiting your death  
Miserable until then  
I wanna put my Rebox  
And get on top of his esophagus  
And watch the Appocolypse drop him in Necropolis  
Never was menogamus  
Doggin is  
Your botherin all of us  
Gotta get loose from those to ex to sodomus  
I hate what you stand for  
Hate all your scandals  
When your life's baned for  
I will not burn a candle  
The way you live is not easy to handle  
You vandals toss 666 in your blood sample  
Yo  
The world is very different now  
No more hugs

Just shrugs  
And Crips and Bloods  
And drugs  
Nazis show no love  
Never we be equal  
My name is The Grinch  
This song is dedicated to the evil people  
[Chorus] - 2x  
Look away from me when you see me  
Never look into my eyes  
Your infection crowds my daily  
So this can't be paradise  
When you walk don't come my way  
And don't dare honk at me when you drive  
I'm The Grinch I smell your stinch  
And it is you I so despise
