

Is Your Love Big Enough

[Lianne La Havas](#)

Found myself in the second
I found myself in the secondhand guitar
Never thought it would happen
But I found myself in the secondhand guitar So I've just got to know
I truly have to know
So you've got to let me know
Is your love big enough for what's to come? Got so hot in the city
That I forgot everything I was looking for
Make my way to the dance floor
And I danced 'til I wasn't drunk anymore So I've just got to know
I truly have to know
So you've got to let me know
Is your love big enough for what's to come?
Is your love big enough? Underground, underground
With the friends I've found, friends I've found Underground, underground
With the friends I've found, friends I've found I scream
I scream
On second avenue
I scream on second avenue Is your love big enough for what's to come?
Is your love big enough?
Is your love big enough for what's to come?
Is your love big enough for what's to come?
